

## Monitoring & Control Accessories: Woods WiOn Wi-Fi Controlled AC Outlets and Switches

### WFSW-O-1046 – Wi-Fi controlled Outlet, Outdoor

#### Description:

- Outdoor rated Wi-Fi-enabled outlet.
- Control and monitor your AC-powered devices with your smartphone from anywhere.
- The outdoor outlet has two outlets which are controlled in tandem.

#### Application:

- Program your deck lights to turn on at sunset, turn on or off the outdoor holiday decorations from the warmth of your home and schedule a fountain to turn off at the same time each evening, or set outdoor spot lights to illuminate your trees while you're away.
- Download the app, connect the device to your smartphone using your existing Wi-Fi network and begin controlling your device from anywhere - at home or on the go - using Wi-Fi network or mobile internet (3G/4G/LTE).
- Add up to 12 devices to your app.
