

## Monitoring & Control Accessories: Woods WiOn WFSW-O-1050 – Wi-Fi Controlled Yard Stake, Outdoor

### Description:

- Outdoor-rated Wi-Fi enabled outlet stake.
- The stake contains six covered weatherproof outlets and a 6ft cord.
- Three outlets are Wi-Fi controlled in tandem, and three outlets are controlled via the yard stake switch.

### Application:

- Program your deck lights to turn on at sunset, turn on or off the outdoor holiday decorations from the warmth of your home, schedule landscape lights to turn off at the same time each evening, or set outdoor spot lights to illuminate your trees while you're away.
- No need to buy special electronics--the WiOn outdoor Wi-Fi outlet retrofits your existing electrical devices to completely modernize your home, at affordable prices.
- Download the user-friendly app, connect your device to your smartphone using your existing Wi-Fi network, and begin controlling your device from anywhere - at home or on the go - using Wi-Fi network or mobile internet (3G/4G/LTE).
- There are no set-up fees, no hub required, and no monthly charges.
