

intouch™ Easy Connect Monitoring & Control Accessories: Nest

1077 – Nest Learning Thermostat, 3<sup>rd</sup> Generation

**Description:**

The Nest Learning Thermostat is the first thermostat to get ENERGY STAR certified.

- Automatically adapts as your life and the seasons change
- Monitors your heating and cooling system and sends alerts for extreme temperature swings
- Simple installation, most installs take ~ half an hour

**Application:**

- Use it for a week and it programs itself
- Adjust the temperature from your phone, anywhere
- See how much energy you use every day in Energy Report
- Receive monthly Home Reports
