

Monitoring & Control Accessories: Woods WiOn WFSW-I-1047 – Wi-Fi controlled Outlet, Indoor

Description:

- Indoor rated Wi-Fi-enabled outlet.
- Control and monitor your lights and appliances with your smartphone from anywhere!

Application:

- Program your living room lamp to turn on at sunset, make sure your coffee pot is off, turn the radio on for your pet while you're away, schedule the fan to be on so you come home to a cool house, or set lights to randomly go on and off for an occupied appearance while you're on vacation.
- No need to buy special electronics—the WiOn indoor Wi-Fi outlet retrofits your existing electrical devices to completely modernize your home.
- Download the user-friendly app, connect your device to your smartphone using your existing Wi-Fi network and begin controlling your device from anywhere – at home or on the go - using Wi-Fi network or mobile internet (3G/4G/LTE).
- There are no set-up fees, no hub required and no monthly charges.
