

Monitoring & Control Accessories: Cameras CAM-DPTZ-1043 – Mobotix D15, Dome, Dual Lens

Description:

- Mobotix D15 dual lens, dome camera.
- Two individual manually positioned super wide lenses

Application:

- Set a different focus on two separate areas, monitor a corridor, view around a corner, or obtain a single panoramic 12MP image.
- Dual lens system captures two views simultaneously but still requires only a single PoE cable connection.
- Weatherproof construction allows you to choose the location for flush mounting.
